

Recommendations For Maurice

Owner

Chaplais Ltd

“We hired Maurice as a consultant during a period of transition in our bakery. He trained our bakers on new recipes and higher quality products. He was able to adapt to the new location, temperature and language barriers. I would highly recommend Maurice for any Bakery consulting job, but specially for bakeries in Emerging Markets. If you are considering his services, I am available to discuss our experience in more detail.

Gabriel Cabañas

Director

La Baguette de Mexicali, SA de CV” *July 16, 2012*

Top qualities: Personable, Expert, Good Value
